

7. DESIGN PROCESS & SCHEMES

After compiling special requirements from the JML needs assessment, GBA reviewed the site. GBA wanted to look at natural lighting opportunities, property setbacks, important view sheds, traffic flow, pedestrian circulation and connection with the town.

GBA then prepared and presented three different schemes for discussion with preliminary costs to the JML Board.

- Link Scheme
- No Touch Underground
- Pavilion and Court

7.1 DESIGN SCHEME—LINK

Jeudevine Memorial Library
July 2016

"Link Scheme"

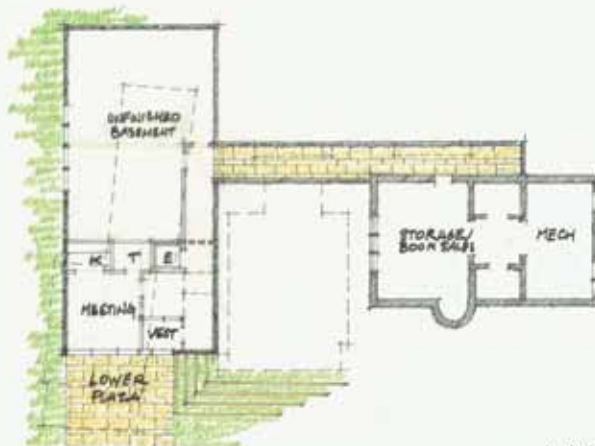

ADDITION	
MAIN LEVEL	1950
LINK	480
LOWER LEVEL FINISH	680
LINK	480
UNFINISHED BMENT	1240
TOTAL	4830 SF
EXISTING	
MAIN LEVEL	1170
LOWER LEVEL	1170
TOTAL	2340 SF

Jeudevine Memorial Library
Scale 1/4"=1'-0"
July 2016
